BigToys LIMITED WARRANTY

Classification of material in relation to years of warranty

The warranty with respect to failure due to material or production defects on painted metal components and solid recycled plastic components is limited to **50 years** commencing on the date of delivery. Steel and recycled plastic components are warranted against failure due to deterioration that impairs the structural integrity of the unit.*

The warranty with respect to failure due to material or production defects on engineered timber and hollow plastic components is limited to **15 years** commencing on the date of delivery. All conditioned wood components on play equipment are warranted against structural failure due to deterioration from fungi or insects.

The warranty with respect to failure due to material or production defects on concrete and cultured sandstone components is limited to **10 years** commencing on the date of delivery.

The warranty with respect to failure due to material or production defects on net construction is limited to **5 years** commencing on the date of delivery.

The warranty with respect to failure due to material or production defects on moveable plastic and metal is limited to **2 years** commencing on the date of delivery.

Limited Warranty coverage of defective parts

The warranty is limited to parts produced by BigToys and its vendors. Such damaged parts will be replaced by BigToys and will be delivered to the customer's address free of charge, labor excluded.

Warranty coverage applies only if products have been properly installed and maintained.

The warranty is not effective if products have not been installed properly according to the instructions provided by BigToys, or maintained correctly according to the BigToys Maintenance Manual.

No coverage for wear, tear, misuse or vandalism.

The warranty does not cover normal wear and tear, surface corrosion on metal parts, discolored surfaces and other cosmetic issues or failures due to misuse or vandalism.

*Special coatings on metal components are required for installations within five miles of salt water. Please contact your sales representative for details.

Effective Date 05/01/09
