

MEC-735 EarlyWorks Hamlet

BigToys[®]

Standard Color Choice

Young children will enjoy the playhouse atmosphere of the Hamlet. Creating spaces with benches and play counters invites them in and shows them “This place was built especially for you!”. This is a great confidence builder, affirming children’s self esteem by showing them that they are important and perfect, just as they are.

Natural Color Choice

Product development is an on going process. For this reason we reserve the right to make modifications in the form of product improvements in all our products.

Equipment must be installed over resilient surfacing appropriate to the safety guidelines for your area.
